## Highway 1-Devil's Slide One-Way Traffic Controls Scheduled For Tomorrow Morning

**SAN MATEO COUNTY** – The California Department of Transportation (Caltrans) will need to stabilize a portion of Highway 1/Cabrillo Highway near Devil's Slide in San Mateo County due to this weekend's heavy rain storms. The work is needed to prevent further erosion before the next rain storms arrive.

### **One-Way Traffic Controls-December 4<sup>th</sup> Starting at 9 a.m.**

To ensure worker and public safety, one-way traffic controls will be in effect on Highway 1 between Linda Mar Boulevard in Pacific and the North Portal bridge area of Devil's Slide beginning Tuesday, December 4th at 9 a.m. and be completed at approximately 3 p.m. that same day.

During one-way traffic controls, one lane of traffic will remain open at all times with flaggers alternating northbound and southbound traffic. All work is weather permitting.

The California Highway Patrol (CHP) will help direct motorists. Caltrans will also install changeable message signs. Motorists should allow for extra travel time.

Additional project information is posted on the Caltrans' Highway 1-Devil's Slide webpage at: <http://www.dot.ca.gov/dist4/dslide/>
